

Andrea R. Iguina-Pérez

Senior Consultant

Andrea is a License Professional Planner with 7 years of experience in non-profit organizations. She began her professional carrier as Project Coordinator for the Agenda Ciudadana Foundation; where she coordinated over 30 participatory dialogue sessions on the topics of Environment, Economy, Energy, Families, Early Childhood, among others. In 2018 she was part of TFEC, a community foundation located in Harrisburg, Pennsylvania, where she worked as a Program Officer in charge of distributing over one million dollars yearly in grants to non-profit organizations in the area.

She is fully bilingual in Spanish and English. Her experience includes work in a variety of settings, including the public, private, which has equipped her with the flexibility to adjust to new circumstances and face difficulties.

Andrea has demonstrated the ability to swiftly grasp the many parts of the transportation consulting business since joining Steer in 2022. She has assisted in the drafting of various grants and serves as Project Manager for various projects.

Relevant skills

Writing of technical reports: Andrea has expertise in technical report structuring, writing, and editing. She has developed the abilities to examine documents and ensure that everything is uniform and client friendly.

Data Analysis: Andrea has expertise working with data analysis programs like Jupyter Notebook, and she has created several approaches for collecting and analyzing the data obtained to draw various conclusions from the objective research.

Grant Writing: She has prior expertise managing and writing grants. Andrea managed and evaluated grant applications from regional non-profits in her prior position as a program officer.

Public Policy: Has led and participated in the development of various Municipal Multimodal Transportation Plans, and Complete Street Studies in Puerto Rico. Is also participating in the development of the Long-Range Transportation Plan for Puerto Rico as part of the managing team.
