Enrollment Type: Group or Clinic

Application Information:

The following is an overview of the primary information needed to complete an application for the provider type and specialties listed above. Please note that all service locations where Medicaid beneficiaries are rendered services must be enrolled.

- General information** including provider type, enrollment effective date, legal name, employer identification number (EIN), national provider identifier (NPI), and contact information.
- Specialty and taxonomy information** including effective dates.
- Address information** including service location address of all locations at which services are rendered to Medicaid beneficiaries, mail to, and pay to addresses.
- Capacity information** (if applicable) including maximum member count.
- Tax classification information** including organization type (e.g., non-profit, for profit).
- Individual association information** including Medicaid provider ID or NPI, and effective and end dates of the association.

*Note: Groups may only associate with providers who have enrolled with an enrollment type of 'individual within a group'. Examples of rendering providers that this provider type would associate to include: Physicians (PT 25), Nurse Practitioners (PT 30), and Physician Assistants (PT 29). **Be aware: During initial enrollment in 2020, groups will enroll prior to individuals. Therefore, it will not be necessary for the group to associate to an individual. Individuals will associate to groups when they enroll.***

- Medicare enrollment** (if applicable) including Medicare number, Medicare type, effective and end dates, and other state Medicaid enrollment information (if applicable).
- Malpractice insurance information** (if applicable) such as type of carrier, name of carrier, coverage amount, policy number, and effective and end dates.
- Collaborating physician information** including last name, first name, and NPI.
- Self-disclosure information** including actions taken against or changes to your license/certification, enrollment terminations, actions taken against a federal or state controlled substance certificate, actions taken against you during participation in a governmental healthcare program, investigations, actions taken against your professional liability coverage, and contact information for audit purposes (42 CFR § 455.100-106).
- Subcontractor disclosure information** for any entity/individual with which you have had any business transactions totaling more than \$25,000 during the preceding 12-month period. If applicable, you will be required to provide sub-contractor information such as name, address, effective and end dates, and control interest. If control interest is reported, additional ownership details such as % interest, name, SSN, DOB, and address will also be required (42 CFR § 455.100-106).
- Ownership and control interest information** in the disclosing entity (individual or corporation). For entities having ownership/control interest in the disclosing entity, information such as ownership/control interest in any other provider, fiscal agent or managed care entity, criminal convictions in other government programs, other state Medicaid participation, program terminations, outstanding debts with other government programs, adverse legal actions, and relationships to the entity having ownership/control interest in the provider will be required (42 CFR § 455.100-106).
Note: A person with an ownership or control interest means a person or corporation that has a direct or indirect ownership totaling 5% or more in the provider, is an officer or director of a provider organized as a corporation or non-profit, or is a partner in a provider organized as a partnership.
- Managing employee information** such as name, SSN, DOB, address, email, effective and end dates, criminal convictions in other government programs, other state Medicaid participation, program terminations, outstanding debts with other government programs, adverse legal actions, and relationship to the provider (42 CFR § 455.100-106).
Note: One form must be completed for each managing employee. Per 42 CFR § 455.101, a managing employee means a general manager, business manager, administrator, director, or other individual who exercises operational or managerial control over, or who directly or indirectly conducts the day-to-day operation of an institution, organization, or agency.

- Business transactions** with any wholly-owned supplier or subcontractor. Information required includes name, tax ID, DOB (for individuals), effective and end dates, and address (42 CFR § 455.105).

Note: One form must be completed for each wholly-owned supplier or subcontractor.
