Public Notice for PRMP Coverage of Vaccinations for Adults

The Puerto Rico Department of Health (PRDoH), through the Puerto Rico Medicaid Program (PRMP), will be filing Medicaid State Plan Amendment (SPA) 23-0012 with the Centers for Medicare and Medicaid Services (CMS) for the coverage of vaccinations for adults. SPA PR-23-0012 has a proposed effective date of April 1, 2023, contingent upon approval from the Centers for Medicare and Medicaid Services (CMS).

Through SPA PR-23-0012, PRMP will be covering vaccines for Medicaid-eligible adults, as recommended by the Advisory Committee on Immunization Practices (ACIP). Funding to cover the vaccines and their administration, is included in the monthly capitated payments paid to the managed care organizations and reimbursement to enrolled providers for the vaccines and their administration is according to the managed care organization contractual agreements. The estimated total fiscal impact for the coverage of adult vaccines is \$4.95 million for the first 12-month period.

Any person or organization may file written comments regarding SPA PR-23-0012 to the PRMP within thirty (30) calendar days from the publication of this Public Notice on the Medicaid Program website (<https://www.medicaid.pr.gov/>).
